

LEGO Build the Change!

1. Start with a Simple Build

Make a small LEGO thing like a house, car, or robot. Keep it simple so you can easily change it later!

2. Change It in Fun Ways (Using SCAMPER)

✦ **Swap It**

Ⓒ **Mix It**

Make It Bigger or Smaller

⦿ **Flip or Move It Around**

💡 **Use It Differently**

✗ **Take Bits Away**

3. Show and Share!

Tell someone what you changed and why.

Get a picture taken of your LEGO creation giving it a title, along with your name + scout-group – you could win a prize!
